A digital magazine to inform and engage

MINWAAJIMO (*Telling Good Stories*) is a Peguis Communications project focused on introducing our youth into the areas of digital communications, photography, graphic design, journalism, finance and business management through this publication.

Our goal is to inform members with important news, events, health information, education, employment, training, traditional language, sports, member profiles and updates including Peguis First Nation ventures and projects. As a digital magazine, there is no printing fees. Only a few copies are printed each issue for our Elders at the Peguis Personal Care Home.

This publication is approved by Peguis Chief and Council.

PEGUIS PUBLIC WORKS

Snow Clearing Protocol for Peguis First Nation

From experience, winter storms that hit the community can affect power, travel plans, communications, road access to homes and sometimes access to main highways.

Currently, the Peguis Public Works Departments main responsibility is clearing snow from all primary and secondary roadways. After roadways are cleared, Public Works begins clearing high priority driveways as follows:

1. **Dialysis patients & med van drivers**
2. **Ongoing health care or serious illness** (ie. mobility or or related disability issues, cancer care patients)
3. **Elders**

Homeowners are generally responsible for maintaining their private driveways or property during normal winter conditions.

Peguis Public Works does not issue any reimbursement to homeowners for this type of maintenance activity. We encourage membership to reach out for this type of service if the homeowner requires assistance managing property maintenance.

If you have any questions or require further clarification please contact either Rod Sutherland (204) 308-0353) or Walter Spence (431-998-3867).

In the event we experience a

major snowfall (8" or more within 24 hrs) we will mobilize all public works equipment and bring private contractors onboard to assist in clearing snow from all primary roads, secondary roads and shared/private driveways.

In this type of situation we ask that membership refrain from travelling for no particular reason as you may impede our ability to clear snow in a timely manner. It may take 3 to 4 days to adequately clear snow for travel to resume in and around the community as there is upwards

Peguis Public Works team

MINWAJIMO

of 300 km of PFN roadways and 900 driveways to work on.

Everyone is recommended to monitor weather forecasts so as to assess when it is safe to travel. All homes should plan for the possibility of power outages or blocked roads by preparing an emergency kit with all the essentials to last out an extreme weather event. Parking vehicles so they do not block snow clearing equipment and marking wellheads or other obstructions are also the homeowners responsibility.

REMINDER: Any abandoned vehicles blocking road maintenance equipment or emergency vehicles on PFN1b

roadways will be towed at owners expense. Likewise, abandoned vehicles on driveways will prohibit snow clearing activity from being performed on those driveways.

If there is a medical emergency, please contact the Peguis Emergency Centre at (204) 645-2000 and attending emergency responders will coordinate with us for clearing a travel lane into the affected household. Please do not misuse or abuse this as it will be noted for future snow clearing activities as those who do misuse or abuse this may be left with the responsibility of clearing snow on their driveways.

Need Snow Cleared from Your Driveway this Winter?

The following is a list of equipment owners that offer paid service for snow clearing:

- Larry Prince (plow truck) @ 204-963-5669
- Percy Fiddler (plow truck) @ 204-308-0192
- Owen Spence (skid steer) @ 204-308-0663

THE NEW TEAM IN THE KJHL

PBCN SELECTS

CURRENT RECORD:
4-4-1

There is a new team in the KJHL this year. The *PBCN Selects* have joined the league.

Keystone Junior Hockey League is a Junior B league currently made up of six teams in Manitoba and Saskatchewan, sanctioned by Hockey Canada.

The KJHL announced earlier this year that the Peter Ballantyne Cree Nation was granted an expansion franchise. There are now 6 teams in the KJHL.

Peguis Juniors have faced the PBCN Selects twice this season, with each team taking a win.
